

## CON CON DELEGATES VOTE TO ADJOURN; RECONSIDER ACTION

Finally Recess Until 9 O'clock  
This Morning--Much Bitterness  
Again Develops Between  
Chicago and Downstate Delegates.

SPRINGFIELD, Ill., Dec. 8.—The constitutional convention late today voted 28 to 27 to adjourn until Tuesday, Sept. 6, 1921, and a few minutes later reconsidered their action to end the session immediately. The original motion carried without debate and came as a complete surprise to most delegates. When recess was taken at 7 o'clock tonight until 9 A. M. tomorrow delegates had been unable to agree on the time of adjournment.

The motion to adjourn which was offered by Delegate Frank S. Whitman of Belvidere came like a bolt of lightning from a clear sky. It was a fitting climax to the bitter fight between Chicago and downstate delegates which had been on the floor of the convention all day over the question of representation. Chicago should have in the supreme court—the bitterest battle in the history of the convention.

When the delegates convened at three o'clock the fight of the forenoon was started over again with added spirit. Chicago delegates were losing the fight to obtain two judges on the supreme court bench and downstate delegates were determined to secure only one. There was some talk that a compromise might be effected but all attempts at such a thing proved futile.

**Motion to Adjourn Carries.**  
Then in the midst of the controversy came the motion to adjourn. Without any debate whatsoever, President Woodward put the question to a rising vote the result showing the scant majority of one in favor of adjournment. Demand immediately was made for a roll call but the chair ruled the plea came too late. A score of delegates were demanding to be recognized when the motion to adjourn was taken.

Delegate Louis Jarman of Rushville summed up the arguments for those against adjournment, in the debating that followed and in which nearly every member of the convention participated, when he said:

"We can't quit now, what would the people say? We have an unfinished job before us and we must continue to work as long as we can until the situation as it is now is—Chicago and downstate couldn't agree as to Chicago's representation in the supreme court; that delegates go mad and adjourn!"

It was conceded by several members however, including President Woodward that champions in favor of adjournment would carry their cause to victory when the convention is called to order in the morning. In fact many delegates said they have made arrangements to send their personal effects to their homes.

"We are working under a mental strain," declared Delegate Henry I. Green, of Urbana, who made the principle argument in favor of adjournment. "The events of today have been filled with a good deal of bitterness on both sides. There are many of us who are lawyers and the things which have been said won't sink into us as deeply as they do into the layman, but we all need a mental rest. I am willing to go back to my people and say that I deemed it best that the convention adjourn and return here next fall when we will be in a better state of mind to draft a constitution for Illinois."

**Newspapers May Attack.**  
"Of course there are certain newspapers, who would take advantage of such a situation; newspapers that would attack us away from a troubled situation and that we took a coward's action, but I believe the fair-minded people of the state can readily understand the situation. There have been some mistakes during the past week and there may have been some mistakes on the part of individuals, but we are actuated only by a sincere motive in asking that this convention adjourn."

"I voted for the adjournment motion," declared Charles H. present.

## MISS MACSWINEY SAYS U. S. HAS NOT LIVED UP TO IDEAL

England Would Conquer Thru "Reign of Terror"

IRELAND WANTS TO  
BE LEFT ALONE

WASHINGTON, Dec. 8.—Charges that the British government has kept alive the religious hatred in Ireland and has sought, thru a "reign of terror" to starve that country into submission brought to a conclusion eight hours of testimony today by Miss Mary MacSwiney, sister of the late lord mayor of Cork, before the commission from the committee of one hundred investigating the Irish question.

Miss MacSwiney told the commission that she and Mrs. Muriel MacSwiney, the lord mayor's widow have come from Ireland to aid the commission in obtaining the true facts. She made the prediction that Ireland would gain its freedom even tho' "England" had to be beaten to the ground. Her sister-in-law will be heard tomorrow.

**Has Not Lived Up to Ideal.**  
Miss MacSwiney punctured her story of the movement for Irish freedom with the assertion that the United States had not lived up to its ideal of "making the world safe for democracy."

"We are not disturbers," she witness said, "we want just to be left alone. We are not using coercion and we will not be coerced. We simply want England to clear out; we'll forgive her everything if she will only leave us alone."

"We are going to get our freedom," she continued, "that every Irish Republican knows, for you cannot keep in continual slavery a people everyone of whom is ready to die for his country. The Irish have not persecuted anybody, she asserted adding that the peace and prosperity of the large Jewish quarters in Cork and Dublin attested to that fact. The witness said that where "there are no black and tan police," there "reigns peace and prosperity and a satisfied population."

**Reign of Terror Prevails.**  
"The British government," Miss MacSwiney continued, "has instituted a reign of terror in Ireland. It seeks to destroy property and to throw people out of work. It wants to starve us into submission. The Irish people don't want war. If England will get out we will establish property in our republic. We will keep our ports open and promise to let no one use them as a war base."

Senator Walsh, of Massachusetts, a member of the commission presiding a series of questions led the witness to declare that a de facto government had been created in Ireland and that under it citizens of the provisional republic seek to govern the selves. Also under his questioning, Miss MacSwiney said that the British courts "sat behind barbed wire barricades and sand bags surrounded by a regiment of soldiers waiting for cases which never come while the Irish Republicans, she said, turn their controversy over to the civil courts sitting in secret and able to by their decisions without fear of litigation."

**MAY MAKE CITY ATHLETIC COMMISSION.**  
Chicago, Dec. 8.—An ordinance appointing a city athletic commission which would have control of all athletic events in Chicago was drafted today by a city council committee.

A 10 per cent tax on gate receipts of major league baseball was also proposed by the committee to supersede the present flat rate amusement tax levied by the city. The proposed commission would have two aldermen and three appointees named by Mayor Thompson as its members.

**COLUMBIA WANTS TO PLAY WESTERN TEAM.**  
New York, Dec. 8.—Columbia University is seeking an intercollegiate football game next fall with either Illinois University or Centre College. It was learned here today. The game would be played at Polo grounds here.

**LA FOLLETTE WOULD REPEAL ESPIONAGE ACT.**  
Washington, Dec. 8.—Senator La Follette, Republican, Wisconsin, today introduced another bill proposing repeal of the espionage act.

## BANKERS WILL CARRY SOUTHWEST LIVESTOCK MEN

Have Arranged to Carry Loans at Reasonable Rates

RANCHES DEPLETED BY HIGH PRICES

(By The Associated Press)  
KANSAS CITY, Mo., Dec. 8.—Bankers have confidence in the livestock industry of the southwest and will carry stock cattle loans at reasonable rates under an agreement reached at a conference between local bankers, Governor J. E. Miller, Jr. and Chairman A. E. Ramsay of the tenth federal reserve bank. It was announced today. It is not the intention of bankers to force liquidation of stock cattle and further loans will be granted in exceptional instances where conditions are satisfactory the bankers decided.

The conference regarded the cattle situation as improving, and pointed as evidence of this to the recent action of Eastern banks which heretofore have not dealt in cattle paper in subscribing to a fund of 22,000,000 dollars to be lent to help the industry thru the existing crisis.

It was pointed out that ranches have been depleted of cattle during the last few years because of a ready market and high prices paid by packers. With the present low cost of cattle and feedstuffs, livestock men will be able to restock their ranches if credit is extended to carry them over, one banker declared.

**SIX SHIPS CARRY 600,000 BUSHEL OF WHEAT TO U. S.**

New York is Trying to Re-establish Erie Canal Route

WILL MILL TEN MILLION BUSHEL

(By The Associated Press)  
FORT WILLIAM, Ont., Dec. 8.—Shipments of Canadian wheat from here to United States ports which have been exceptionally heavy during the last few days continued today when six more ships, carrying 600,000 bushels left for Buffalo.

The large amount of the exports, E. A. Ursell, statistician for the Canada Board of Grain Commerce declared today indicate an effort by New York state to re-establish the Erie canal route to New York city and thereby "head off the deep St. Lawrence waterway." He referred to steps, which, he declared, "have been going on quietly" to develop the Oswego canal from Lake Ontario to the Erie canal.

Mr. Ursell estimated that more than 10,000,000 bushels of Canadian wheat shipped to the United States will be milled there. The remainder he predicted will be exported thru New York, Boston and other Atlantic ports. Ordinarily, he said, American millers use about 1,500,000 bushels of Canadian wheat but because of the poor quality of this year's crop in the United States the figures has more than doubled.

The average pre-war consumption of Canadian wheat in the United States he explained was about 4,000,000 bushels.

**MAY ESTABLISH NEW TERMINAL**

Officials of Alton Make Tentative Plans to Build Terminal Shops and Roundhouse at Springfield—Would Do Away With Overtime.

(By The Associated Press)  
SPRINGFIELD, Ill., Dec. 8.—Establishment of terminal shops and a roundhouse of the Chicago & Alton railroad in Springfield, was tentatively decided upon today by officials of the road, as the only solution of the "overtime" problem.

Improvement of property in Springfield would require outlay of several million dollars and would result in removal here of most of the work now done in Bloomington.

President W. G. Blier considered the prospect here today. It was declared that the association that the railroad thing waited in assurance of sufficient financial backing in Springfield. With that assured, work, it was said, would be started early next spring.

With the division point here instead of Bloomington, train crews between Chicago and St. Louis may be arranged to avoid any overtime in wages, it was said. This overtime, it was added, has lately gotten to be a very large amount.

**CHAMPION SWIMMER GOES TO AUSTRALIA**  
New York, Dec. 8.—Miss Ethelda Bleibtrey, champion woman swimmer in the Olympic games at Antwerp last fall left here today for Vancouver, whence she will sail for Australia on Dec. 15. She will engage a number of championship swimming contests in the Antipodes, where her chief opponent will be Miss Fannie Ruck, of Sydney, Australian champion.

## REPUBLICANS TAKE FIRST STEPS IN TAX AND TARIFF REVISION

The Ways and Means Committee to Begin Hearings

CAN CUT OFF OVER BILLION DOLLARS

(By The Associated Press)  
WASHINGTON, Dec. 8.—Republican members of congress took the first steps today toward revision of tax and tariff laws at the extra session to be called soon after next March 4.

Chairman Fordney of the house ways and means committee announced that his committee would begin hearings within a few days on the revision of the tax laws these hearings to continue until January 6 when hearings will be started on tariff legislation.

Almost simultaneous with Chairman Fordney's announcement, Senate Finance Committee issued a call for a meeting of that committee for tomorrow when plans will be made for hearings similar to those contemplated by the house committee.

The senate and house committee alike hope to conclude their hearings by the end of the present session. The house committee, Chairman Fordney said expects to be able to begin the work of drafting the new tax and tariff measures as soon as the extra session is convened. The senate committee's hearings are expected to be briefer than those planned by the house committee.

Chairman Fordney's announcement followed a conference of the majority members of the committee. He said that as soon as the committee had time to study the tax recommendations contained in the annual report of Secretary Houston of the treasury sent to congress today, he would invite Mr. Houston to appear before the committee and explain his views more fully. The treasury secretary will be asked to designate an official to represent him at the committee's sessions. The committee's program the chairman said will be announced from day to day as the hearings proceed.

**Has Definite Plan.**  
Chairman Fordney said today that he had in mind definite plan for simplification of the tax and corporate incomes. One of his proposals is a flat tax on the incomes of all corporations having no qualification or other modifying provisions.

Mr. Fordney also said it was his desire that the income tax laws be made so simple that a corporation will not have to hire an expert or a lawyer to figure how much it owes the government.

The ways and means chairman declared that a study of Secretary Houston's report had shown him that the estimate for governmental expenditures are ridiculously high.

"I can go down the list of estimates of the secretary and tax to approximately a billion and a half dollars as unnecessary," Mr. Fordney said. "Just for example, he wants \$181,000,000 for the war risk insurance bureau. I think that is a hundred million dollars or more too high."

With the proposed consolidation of the various soldiers relief agencies into one bureau, we can save a hundred million and eliminate 35,000 clerks in Washington. The secretary wants \$75,000,000 for rivers and harbors improvement. I do not think congress will grant any such sum this year."

**CANAL SECTION SHOULD BE OPERATED PRIVATELY.**  
(By The Associated Press)  
WASHINGTON, Dec. 8.—Operation of the New York Canal section should pass to private hands with delivery of new floating equipment provided for by the government, according to recommendations in the report on inland and coastwise waterways service, submitted to Secretary Baker today by Brigadier General Frank T. Hines, chief of army transportation.

Lower Mississippi and Warrior sections of the waterways require further development by the government, however, General Hines said, before they can be transferred to private operation with promise of success.

The waterway routes came into custody of the war department when the rail administration ceased all operating activities.

**ELECTED VICE CHAIRMAN OF SHIPPING BOARD.**  
Washington, Dec. 8.—Fredrick L. Thompson, of Mobile, Ala., was elected today by the shipping board as vice chairman. This completed the organization of the board the other officers having been selected at the first meeting last week.

Hurley, Wis., Dec. 8.—Robert Larson, 24, Ironwood, Michigan, who was shot by Policeman Jack Paul of this city yesterday, died this morning at a local hospital.

## HARDING RETURNS TO MARION AFTER MONTH'S VACATION

Will Lay the Foundation for Administration Policies

ADVOCATES REORGANIZATION

MARION, Ohio, Dec. 8.—After a month's vacation trip to Texas and Panama, President-elect Harding returned to Marion today to lay the foundations of his administration and its policies in consultation with many of the nation's leading statesmen.

"The motive of minds," he promised during the campaign will be a very next week after he has disposed of accumulated correspondence and has put into more concrete form the questions he wants to ask those who come here to confer with him. The league of nations will be the foremost in his discussions but several other problems will be kept in mind as he gathers advice and prepares himself for executive responsibility.

**Advocates Reorganization.**  
For one thing he has advocated a re-organization of several government departments to insure greater business efficiency and he is expected before March 4 to discuss that subject with some of the country's most successful business executives. Meantime, too he must choose his cabinet and must frame the taxation program he will recommend to the extra session of congress to be followed soon after his inauguration.

Upon most of these subjects he made some progress during his two day visit in Washington, but the real work of his administration building is yet to be done. His mind refreshed by his long play spell, the president-elect evidenced today a keen desire to get vigorously into the swing of the task before him for attacking at once the stack of letters that he found awaiting his attention.

**ENGLAND WILL NOT VISE PASSPORTS OF SIX COMMITTEE OF SIX**

Proposed Visit to England and Ireland Not Agreeable

WANTED FIRST HAND INFORMATION

(By The Associated Press)  
WASHINGTON, Dec. 8.—The special committee of six which is to study the question of one hundred now holding hearings here on the Irish question had hoped to send to England and Ireland to gather first hand information will not be permitted to visit Great Britain.

William McDonald, secretary of the commission was informed in a letter sent today by R. L. Craigie, first secretary of the British embassy, that the proposed visit to British territory is not agreeable to his majesty's government, and that therefore the passports issued to members of the committee by the American state department.

Members of the special committee which it had been planned to send to England and Ireland as announced by the commission were Oliver P. Newman, former district commissioner of this city; the Rev. Norman Thomas and Arthur Gleason of New York; James R. Maurer, president of the Pennsylvania State Federation of Labor; William McDonald, and Dean Morse Lovett of the University of Chicago.

**BIG INCREASE IN GOVERNMENT TAXES.**  
(By The Associated Press)  
WASHINGTON, Dec. 8.—Taxes collected by the government during October increased by about \$16,350,000 over the same month a year ago, according to reports compiled today by the bureau of internal revenue.

Actions for the month amounted to \$199,637,000 compared with \$183,286,000 in October 1919. Collections from the beginning of the fiscal year however, showed a decrease of about \$161,000,000 as against the corresponding period of 1919. From July 1 to October 31, the aggregate receipts were \$1,322,000,000 against \$1,350,000,000 during the same months of 1919.

**MAN DOES NOT ATTEND HIS FUNERAL.**  
Dubuque, Iowa, Dec. 8.—To be buried with all the pomp and honors attendant on mortals in passing and still be sitting in a chair at the bedside alive and well is the distinction of a Dubuque resident.

Yesterday a limb of an adult person, wrapped in cotton and cloth was discovered on the city dump. The chief of police was notified and the coroner called. A physician halted rumors by telling of an amputation made recently.

**HAMON CARRIED 800,000 INSURANCE.**  
Ardmore, Okla., Dec. 8.—C. L. Stone, representing a life insurance company, said today that he had delivered to Frank L. Ketch, administrator of the Hamon estate, a check for \$50,000 covering an insurance policy carried by Mr. Hamon and made payable to the estate.

**MILLIKIN MAY PLAY U. OF I.**  
Decatur, Ill., Dec. 8.—N. C. Wynn, director of athletics at Millikin University has been offered a football game with Illinois University at Urbana on next November 5, the Saturday before the home-coming game with Chicago U.

## CANADIAN DELEGATE THROWS BOMBSHELL IN ASSEMBLY SESSION

Tells the Delegates That Fifty Thousand Soldiers Under Sod in France Price Canada Paid For European Statesmanship—

British Delegates Stunned by Statement

(By The Associated Press)  
GENEVA, Dec. 8.—The liveliest session of the assembly of the league of nations has experienced was provoked today by N. W. Rowell of Canada who expressed his views regarding European statesmanship in a way that startled diplomats of the old world.

A sharp debate arose over the recommendation of the committee on technical organizations that the assembly propose to the governments to set up under the auspices of the league three new organizations, finances, transit and health, with annual conferences on these subjects.

Mr. Rowell objected on the ground that it was impossible for distant countries to send their best men abroad four times a year to attend the assembly and the conferences and declared the result would be to throw these organizations under deceptive influence.

The assembly he held should occupy itself with these questions. Canada at any rate he said, felt that they were questions that should not be allowed to fall into European control.

**Price Canada Paid.**  
"Fifty thousand Canadian soldiers under the sod in France and Flanders is the price Canada has paid for European statesmanship," he cried, to the astonishment of the entire assembly and the dismay of some of the delegates.

Arthur Balfour and Mr. Fisher were plainly affected by the thrust from a British dominion; they remained motionless in their seats thru the balance of the debate with grave faces. Lord Robert Cecil, representing South Africa in the assembly in a gentle way softened the blow, by saying that he agreed with much that Mr. Rowell had said but thought Mr. Rowell was mistaken in assuming that the organizations would fall under the control of Europe. He could not go into a debate as to whether Europe had made its way in the world.

**Rowell Withdraws Statement.**  
Several of the delegates suggested to Mr. Rowell that his words had created a different impression than he had intended. The Canadian delegate took the floor again and said he did not mean to attack European statesmen, and rather than give offense, preferred to withdraw his words.

Mr. Rowell was supported by Mr. Miller of Australia and was mildly taken to task by Gabriel Honratux of France, Dr. Gastao da Cunha of Brazil who had offered an amendment, united with the others, however, in agreeing to let the question go over until tomorrow. In the meantime endeavors will be made to arrive at a compromise.

Some of the principal delegates wearying of the protracted discussions and somewhat discouraged in their efforts to hasten the work of the assembly are talking of going home.

**WILL FIGHT STRIKING MINERS.**  
NEW YORK, Dec. 8.—Coal operators in Alabama and Mingo county, W. Va., are determined to fight the striking miners in those regions "in a finish" said a statement by George Dexter, director of the Alabama coal trade association made public tonight by the association.

Mr. Dexter declared only 10 per cent of the miners in this district belong to the union.

**BURLINGTON SWITCHMAN HAS BOTH LEGS CUT OFF.**  
Galesburg, Ill., Dec. 8.—William Jenkins, switchman employed in the local C. B. and Q. railroad yards whose twenty first birthday is today had both his legs cut off and suffered severe injuries, when he fell beneath the wheels of a moving car upon which he was attempting to climb early this morning. He is not expected to live.

**WEATHER INDICATIONS AND TEMPERATURES.**  
Illinois—Generally fair Thursday and probably Friday; somewhat warmer Thursday.

Temperatures.

The campaign for passage of a state policing bill in Illinois is attracting attention. Experiences in other states where the system has been tried have been uniformly satisfactory.

Some comment has been made on the school board tax levy with the intimation that the figures are pretty high. There is no denying that the tax levy for general school expenses is high, but it is also true that it costs money to operate a school system these days.

Citizens of Normal are agitating the question of a new railroad station in that city. A new station is not an acute need in Jacksonville but a union station would be a mighty fine thing. If the railroad officials could only be made to see the matter as local people see it, the railroad properties are so relatively located that a union station project should not be difficult.

### Funerals

Dunn.

Brief funeral services for Charles N. Dunn were held at the Gillham funeral home at 10 o'clock Wednesday morning in charge of the Rev. G. T. Wetzel. The remains were then taken to Beardstown on the Burlington where an extended funeral service will be held today and interment made.

Potter

The funeral of the late Mrs. Mary Potter took place at the Church of Our Savior Tuesday morning with a large company of sorrowing friends present. Solom high mass was celebrated by Rev. Father Formaz. Following the church service interment was made in Calvary cemetery. There were many beautiful flowers and these were in charge of Mrs. Fred Steer, Mrs. Edward Loneragan, Mrs. Riley Cook and Mrs. Nell Ingram. The pallbearers were Thomas Duffner, Edward Loneragan, Frank Kiloran, Charles Hess, Ivan Ingram and Francis Dowling.

Hembrough

The funeral services for Dean Thomas Hembrough, infant son of Mr. and Mrs. Dean Hembrough, took place Wednesday morning at 11 o'clock at the residence of Mr. and Mrs. Paul Goodall, 712 West North street. The services were conducted by Rev. George W. Randle, pastor of Brooklyn and Asbury churches. Interment was made at Asbury cemetery. Music was furnished by Mrs. Mae Hitt, Miss Cora Graham, Rev. G. W. Randle and W. W. Gillham. The child died Monday at the Goodall home after a brief illness of pneumonia. The parents will have the sympathy of their many friends in their sudden bereavement.

## FARM BUREAU MEMBERS IN ANNUAL MEET

TALKED ABOUT PAST WORK AND FUTURE PROSPECTS

County Agent Kendall Presented Comprehensive Report—Changes Made in Constitution—New Officers are Chosen.

The annual meeting of the Morgan County Farm Bureau was held yesterday. About 150 members were present for the dinner, which was served at Central Christian church, and the business session that followed.

Charles S. Black presided and invocation was by Samuel Crum. County Agent George B. Kendall made a very comprehensive and forceful review of the bureau activities for the past year and the reports of Secretary H. J. Rice and P. J. Blackburn, treasurer were received and approved.

A report from the committee on constitution was received and several changes were recommended. The discussion relating to the constitution was received and approved.

A report from the committee on constitution was received and several changes were recommended. The discussion relating to the constitution was received and approved.

Officers are Named. The officers who will serve during the year are:

President—Charles S. Black.

Vice president—Lester Reed.

Secretary—H. E. Kitner.

Treasurer—J. W. Arnold.

The township presidents named are as follows:

13-8—W. H. Rohrer.

13-9—John Miller.

13-10—Albert Hayes.

13-11—S. A. Bracewell.

14-8—John A. Brown.

14-9—Edgar Sweet.

14-10—E. B. Hembrough.

14-11—L. R. Watson.

15-8—C. E. Keenan.

15-9—Frank Drury.

15-10—Austin Patterson.

15-11—F. H. Jewsbury.

15-12—T. H. Stone.

16-8—J. W. Graff.

16-9—J. L. Stewart.

16-10—Charles Gaines.

16-11—Ber. Way.

16-12—H. H. Barthelheim.

16-13—W. F. Roeger.

**Pres. Black Made Report.**

President Black made brief introductory remarks in which he referred particularly to the increased interest in the farm organization during the year. Before the drive last February the club had a membership of about 300 and the roll today includes 1,118. This is the third year of the Farmers club and the president spoke of Mr. Kendall's connection with the organization and the necessity of making a new contract with him next March or for the services of some other agent.

Mr. Black expressed thanks to the women of the Christian church for the excellent dinner service of the day and said that it was his purpose to make an extended review of farm bureau activities, as the facts will be fully set forth in the several reports presented. Some emphasis was laid by the president on the thought of the times and conditions are such that there is greater need than ever before for cooperative work among agriculturalists and livestock men.

**Changes in Constitution.** After the committee on constitution had reported by vote the name of the organization was officially changed from the Farmers club to the Morgan County Farm Bureau. It was decided that officers are hereafter to be chosen by the association as a whole instead of by the advisory council, as provided in the original constitution. The parliamentary committee was also changed and it is the function of the council from this time forth simply to make suggestions or recommendations to the executive committee.

The committee on constitution included Stansfield Baldwin, L. T. Potter, J. W. Arnold, O. M. Petefish and Calvin E. Rice. Among the visitors present was Mr. Husted, recently employed as farm bureau agent in Scott county. Mr. Husted spoke briefly of some of the problems to be considered in Scott county and expressed the hope that the two counties might work in unison on various matters of mutual interest. Some of the main statements in Mr. Kendall's excellent report are given.

**Cooperative Agencies in Morgan Co.** Farmers Elevators—Morgan County has fifteen farmers elevators. One was sold to private parties last summer and another was not in commission as an elevator this summer.

However, fourteen at present are active and successful.

**Livestock Shipping Associations.** The only Association is the one at Rees Station. It began with a membership of nineteen and now has a membership of sixty. There is a growing sentiment in favor of a county wide shipping association, and if we are to give service to our membership we must get behind this move without delay.

**Wool Pool.** Thirty-five farmers pooled their wool last summer. We do not know how profitable the move will be. It is yet unsold. Woolen manufacturers are buying from other sources than the pool in order to keep going and perhaps throw a monkey wrench into the pool machinery. The principle of the pool is right and those thirty-five are to be commended for supporting the principle. We think that ultimately it will prove a wise move.

**Breeders Association.** We have a general breeders association and a Duroc Breeders Association. The general association held one sale last year and the Duroc breeders held a sale this fall. These combination sales have enabled a breeder to compare his product with another, has furnished a place to sell his surplus stock, and has advertised him as a breeder. However, the small breeder can hardly hope to realize fancy prices for his surplus stock sold through such a sale. His compensation must come from private sales as a result of his advising.

**Boys and Girls Club Work.** The farm bureau has fostered one boys and girls club. The pigs were furnished by the breeders of the county at a flat rate of \$25 per head. The project terminated with a show and sale October 30. The most of the gifts were bid in by the boys who fed them. Free breeding service was offered by the breeders to any boy who bought back his pig and these gifts will be the basis of several pure bred herds. They will also serve to start a sow and litter club as a continuation of the pig club project.

**Agricultural Needs of the County.** One outstanding need is a general grasp of what is meant by the Illinois System of Permanent agriculture. In this connection we must learn to store limestone and phosphate so that it will be on hand when needed. We ought also to cooperate with Scott County in developing local deposits of limestone.

Another big need is a larger acreage of legumes not only for soil enrichment but to furnish a cheap source of protein for balancing rations. We need more red clover, alsike, sweet clover, alfalfa, and soybeans with corn and as a crop alone. We are making progress along these lines but there is room for improvement.

We ought to grasp the value of purebred livestock on our farms. Personally I should like to see Morgan County a pure bred county. If possible, we ought to take that as a slogan and work at it until scrub stock is a thing unknown.

There is also room for improvement in the control of animal diseases, particularly those of hogs. A great many vaccine dogs to prevent hog cholera, but others do not. Too many of our farmers buy gold bricks in the form of hog remedies.

We need above all to put our best efforts toward cooperating in developing better marketing systems for all farm products. We have already mentioned the livestock shipping association and farmers elevator. There is room for more than these in the way of improvement at our terminal markets. The state and national organizations must be trusted to solve the problems beyond our county lines. Within our county we should make the best use of the exchange list published by the farm bureau, the daily and weekly papers, and a bulletin board at the farm gate in advertising what we have to sell.

Further we ought to push the boys and girls club work strongly. The coming generation must see the better side of farming if we are to keep on the farms a class of young people who will compare favorably with those in town. The club work is a means of interesting young people in real farm work.

**Farm Accounts.** We need more accurate keeping of our farms. I have had some experience in keeping farm accounts and in using those kept by other parties in making out income tax returns. There is no system to this work. We ought to get the simple farm account book planned by the farm management department of the College of Agriculture in use on our farms.

**Cooperative Leases.** This county has a large proportion of tenancy and in all fairness the system of leases should be used that will be fair to both landlord and tenants. We have introduced the cooperative grain farming and livestock lease in Morgan County.

**Clearing House for Borrower and Lender.** A member of our executive committee recently stated that he thought it possible for a farm bureau office to serve as a clearing house where men wanting to borrow money could find out who had money to lend and thus save the borrower paying a commission. The suggestion is a good one. This office has always been in a position to render this service except that no farm bureau member has ever asked us to advertise that he had money to loan nor any borrower asked us to assist him in finding money.

**Important Projects.** 1. Ordering limestone and phosphate. 2. Shipping in clover seed, soybeans, Iowa 103 seed oats. 3. Making an oat smut campaign. 4. Demonstrating how to fight chinch bugs. 5. Working for Hessian Fly control. 6. Holding pruning and spraying demonstrations. 7. Sheep shearing demonstrations. 8. Pooling wool. 9. Combination pure bred Duroc sale. 10. Promoting Pig club. 11. Poultry culling demonstrations. 12. Dairy feeding demonstrations. 13. Making out income tax returns. 14. Arranging Grain Marketing Conference. 15. Shipping in potatoes. 16. Publishing a monthly exchange list. 17. Membership campaign.

The preceding is a list of a few of the projects gleaned from the records of the year. Not any of them can be classified as an outstanding big project that stirred every one.

a. We have ordered seventeen cars of limestone and eight cars of phosphate. The most of this has been used in connection with alfalfa fields. In addition a small amount of acid phosphate, bone meal and nitrate of soda have been used. The acid phosphate and bone meal have been used in connection with alfalfa fields and as a top dressing for wheat. Nitrate of soda has been used as a top dressing for lawns, gardens and orchards.

b. A considerable quantity of clover seed was shipped in last spring. We bought all the soybeans we could find and sold them to members to plant with corn for hogging down. This project is popular and will be continued. Some of our farmers plan to plant soybeans in every hill of corn whether it is to be hogged down or not. About two thousand five hundred bushels of Iowa 104 seed oats were shipped in and used by our members. This variety made good, although it is a toss up between Early Burt, Iowa 103 and Red Texas on the same ground.

c. In the line of oat smut we advocated the wet method recommended by the College of Agriculture. We distributed circulars telling how to do the work to the entire membership. Another time we ought to make it possible to get dependable formaldehyde if we are to get good results.

d. We answered several calls for service in fighting chinch bugs. As a whole where the members tried they held back the bugs. Coal tar, salt and kerosene and road oil were all tried. It is of little use to stop chinch bugs with a barrier if they are not caught and killed in post hole traps. The chinch bugs are going to be with us next year and we ought to try a burning campaign. We have distributed cartoons to the entire membership in hopes that the man who won't read may get the hard cold facts hammered in by the pictures. Finally we ought to arrange for a supply of creosote in every community this coming season.

e. The great mass of our farmers willing to seed late to escape the Hessian fly this fall. Although the fly did come out later than a normal fly should, the weather has been unfavorable and we expect comparatively little damage this coming season.

f. This is not horticultural country. As a whole our orchards are neglected or abandoned and are a sorry sight. We held four pruning and spraying demonstrations this spring and actually got results, although the cool weather kept the fruit from setting and did not let the spraying show results. Again the Farm Bureau must make provision for spray materials if this project is to develop and encourage community spraying outfits.

g. Poultry culling demonstrations were held wherever any one was willing to offer a flock for demonstration purposes. The attendance at these demonstrations ranged from ten to forty with fifteen to twenty as an average. Many culled their

## STIFF JOINTS

## SORE MUSCLES

Smoothed Out by Hamlin's Wizard Oil

Soreness and stiffness resulting from unaccustomed use of muscles or too much exercise, such as tennis, baseball, golf, handball, etc., give way quickly to the soothing effect of Hamlin's Wizard Oil. It penetrates fast, drives out the soreness, and limbers up stiff, aching joints and muscles.  
 Hamlin's Wizard Oil is a good dependable preparation to have in the medicine chest for first aid and when the doctor may be far away. It is an absolutely reliable antiseptic application for cuts, burns, bites and stings. Sprains and bruises heal rapidly under its soothing, penetrating qualities. Keep it on hand.  
 Generous size bottle 35c.  
 If you are troubled with congestion or sick headache try Hamlin's Wizard Liver Whips. Just pleasant little pink pills at druggists for 30c.—Adv.

day. Her children came in and took her by surprise. A bountiful dinner was spread and each one did justice to it. Among those present were Edward Brockhouse family of Beardstown, F. W. Brockhouse, wife and son, Willard or Jacksonville, Emil Brockhouse and wife also of Beardstown, Elzo Perry and family, Luther Rice and family of this place.

## STOMACH TROUBLE FOR 15 YEARS

Gas affected heart. Death seemed near. Relieved by first dose of Milks Emulsion.

"I suffered constantly from a dreadful stomach trouble for fifteen years. Everything I would eat just laid on my stomach and soured. I would bloat up and it seemed as though my stomach would burn up. The bloating affected my heart and at times I was afraid I was going to die. I tried most everything I could hear of, besides having a number of doctors, but got only temporary relief, until I got a few bottles of Milks Emulsion. It has done me so much good from the start, that I consider it a God-send. I now have more relief since taking it and have slept better than for years. I cannot praise it enough for what it has done for me."—Mrs. Ples Jones, 148 Elm St., Salem, Va.

Thousands have suffered for years from stomach and bowel troubles, and then found the same wonderful relief and lasting benefit from Milks Emulsion. Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milks Emulsion is strongly recommended to those whose sickness has weakened, and is a powerful aid in resisting and repairing the effects of wasting diseases.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream.  
No matter how severe your case, you are urged to try Milks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 75c and \$1.50 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.

## FARM BUREAU MEMBERS IN ANNUAL MEET

(Continued from Page 2)  
own flocks after seeing how it was done.  
h. The dairy feeding demonstrations were well worth while. We are not a dairy county or people inclined to the business, but there were some points brought out in those demonstrations that were worth the attention of any farmer.  
i. We have offered assistance in making out income tax returns. We think that this undertaking showed us the necessity of better systems of farm accounting and gave us an opportunity to demonstrate their need.  
j. We shipped in several carloads of potatoes. The local price was perhaps lowered by that means and the entire county benefited. This project demonstrates that we can handle some things in carload lots provided members will order in advance and taking their orders promptly from the car when it comes.

Our biggest project was the membership campaign last February, carried on in the face of flu and mud. It went better than many expected. We have not organized this large membership as yet. We need a community chairman with a vision in every precinct and co-operator in every school district who will help the county agent and executive committee find out what service is needed, and help wholeheartedly carry out any project that is worth while. Now that we have a large membership, we must try to get it to working, but the members must remember that it is up to them to ask for service and to co-operate in making this county organization a success by boosting.

## EASE THOSE TIRED, ACHING MUSCLES

Outdoor and indoor workers, subject to exposure or heavy toil, find relief in Sloan's Liniment

B EEN at work all day, standing on your feet, lifting heavy weights? And now you're all tired out. Never mind, if you are wise you have a bottle of Sloan's on the shelf, at home or in the shop. Put a little on, without rubbing, and quickly comes grateful warmth and relief.

Good for rheumatic pains, neuralgia, sciatica, lumbago and the host of external pains that are all the time coming. Helps break up colds, too.

It's comforting to keep it handy. Three sizes—35c, 70c, \$1.40.

**Sloan's Liniment** (Pain's enemy)

comes. Slow reporting and slow pay kills the scheme.

K. Our monthly exchange list is made up of by some members. If every member could grasp the idea that it is free and see the business advantage of using it we could have a monthly exchange list that would command attention.  
L. Our biggest project was the membership campaign last February, carried on in the face of flu and mud. It went better than many expected. We have not organized this large membership as yet. We need a community chairman with a vision in every precinct and co-operator in every school district who will help the county agent and executive committee find out what service is needed, and help wholeheartedly carry out any project that is worth while. Now that we have a large membership, we must try to get it to working, but the members must remember that it is up to them to ask for service and to co-operate in making this county organization a success by boosting.

Mrs. H. L. Jumper, a citizen of Ashland was a visitor in this city yesterday.

Delmar H. Bone of the Johnson Music Co. visited Murrayville on business yesterday.

## GREEN MAKES REPLY TO STATEMENT OF GOVERNOR CORNWALL

Says That Official Knows of Gunmen and Thugs

INJURED MEN TAKEN TO GOVERNOR

INDIANAPOLIS, Ind., Dec. 8.—Declaring that Governor John J. Cornwell, "knows that hundreds of armed guards, thugs and gunmen are employed by coal companies of West Virginia," and that "he dare not deny this is true," William Green, national secretary-treasurer of the United Mine Workers of America, issued a statement here late today replying to Governor Cornwell's statement made public last Monday night. Mr. Green asserted that men still suffering from the attacks made by private guards, had been taken to the governor in his office in the statehouse at Charleston, W. Va., Mr. Green's statement in part follows:

"Representatives of the miners and other citizens of West Virginia have appealed to the governor for the removal of these private armies of gunmen who are in control of some sections of West Virginia, and his answer has always been that he is powerless to act. To be specific we charge that in McDowell and Mercer counties, West Virginia hundreds of armed detectives or gunmen are employed by coal corporations; that this private corporation owned army will not allow certain citizens of these communities who are members of the United Mine Workers of America to enjoy their constitutional and civil rights.

## Home-made Remedy Stops Coughs Quickly

The best cough medicine you ever used. Stops coughs quickly. Saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Pour 2½ ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses honey or corn syrup, instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for healing the membranes. To avoid disappointment ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Wayne, Ind.

Bear in mind that in having us do your

Gas Engine or Steam Engine you are certain of having the work done by competent, skilled mechanics that are specialists in the work.

Our special equipment, full stock of supplies and our experience insure first class service at moderate cost.

## TESTIMONY SHOWS NO COMPETITION ON MATERIALS

Building Materials Were Kept at Uniform Price

ESTIMATES WERE IDENTICAL

NEW YORK, Dec. 8.—Officials of two of the largest construction corporations in the United States, with a combined business approaching \$100,000,000 a year, testified in today that before the Lockwood legislative inquiry began it was impossible to obtain competitive bids in nearly a dozen lines of materials.

Contractors for sand, gravel, marble, plumbing, limestone, brick, cement, lime, crushed stone and fire-proofing work invariably turned in identical estimates while the lumber trade was pretty well lined up with prices uniform, they said.

Prices of brick have toppled the testimony showed, from the fictitious level of \$22.50 down to \$15 since the investigation began bombarding the alleged combines.

The Thompson-Starrett company which does an annual business of \$60,000,000 found it futile to seek competitive bids in New York, Louis Horowitz, its president, testified.

His revelations of identical estimates were supported by James A. Mears, vice-president of the Fred Ley company which has \$16,000,000 worth of construction work under way here at the present time.

## CHILDREN DEPRIVED OF EDUCATION BY TEACHER SHORTAGE

There is Still a Big Deficit in Teaching Forces

TAKE UP OTHER LINES OF WORK

WASHINGTON, Dec. 8.—Between 300 and 400,000 children were deprived of schooling last year as a result of the shortage of teachers according to estimates made by P. P. Claxton, federal commissioner of education, in his annual report made public tonight. No relief for the situation is seen by the commissioner who added that while from 110,000 to possibly 150,000 teachers would be needed during the coming year, "we shall have at the outside 30,000 prepared teachers to fill vacancies or a deficit of at least 80,000."

Of even greater moment than the actual shortage the report said was the increase in sub-standard instructors. More than half the 350,000 teachers of the nation, it added are not prepared according to any reasonable standard for the work of teaching. The reasonable standard of preparation is placed at a high school education plus two years of professional training.

One fifth of the approximately 84,000 high schools in the country the report said are intending to seek other employment. To fill such vacancies as would be created by these teachers carrying out their intention and to fill approximately 8,000 places created by the normal growth of high schools not more than 9,000 eligibles will be available the report estimated. The result will be the report said, that in high schools alone, 15,000 of 24,000 of the positions cannot be filled by adequately prepared teachers.

## INTERNATIONAL BOXING CARNIVAL NEXT MONTH

New York, Dec. 8.—An international boxing carnival between the leading amateur middleweights and heavyweights of England and the United States to be held here next month will be the initial international contest in a sport series which promises to make 1921 the red letter year in sport history. It was learned today. The bouts, will be held at a place and date to be announced later and will bring together the best amateur middleweight and heavyweight boxers of the English and United States armies and navies. The leading champions in these two weight classes of the London police and fire departments also will face opponents from the New York departments.

## MAY ESTABLISH MINT AT CHICAGO

WASHINGTON, Dec. 8.—Establishment of a new coinage mint at Chicago to increase the output of coins now being turned out by the mints at Philadelphia, San Francisco, and Denver was recommended to congress today by Secretary Houston.

## PIANO DEALER IN BANKRUPTCY

Freeport, Ill., Dec. 8.—A voluntary petition in bankruptcy was filed in District court here today by Charles J. H. Diehl, of Milledgeville, Ill., owner of a chain of piano stores in northern Illinois. His liabilities were given as \$35,992.04 and his assets as \$24,489.56.

## TO PROHIBIT THE FLYING OF FLAGS

Chicago, Dec. 8.—C. E. Emmett Smith appealed to the city council today to prohibit the flying of British or Red flags from public buildings "because of the brutal murders in Ireland and the abuses in the Rhineland."

The request was placed on file.

## City and County

Luke Beavers drove in from Bluffs on business yesterday. Warren Irving of Mt. Vernon, Ia., was a visitor in the city yesterday.

Gay Hutson has returned from a visit of several days in St. Louis.

Misses Ida and Harriet Scott of Franklin were callers in the city yesterday.

J. R. Witte of Arenzville was a business caller in the city yesterday.

Mrs. L. B. Thompson of Virginia was shopping in the city yesterday.

James W. Edmonson of Winchester was in the city on business yesterday.

Henry Lukeman of Franklin spent yesterday in Jacksonville.

Mrs. C. F. Wegeholt of Concord was a business caller in the city yesterday.

Mrs. Hannah E. Taylor of the vicinity of Salem was a caller in the city yesterday.

Michael McGraw was a traveler from Murrayville to the city yesterday.

Harold Strawn of Alexander had business in the city Wednesday.

Paul Bergschneider was a city arrival from Franklin yesterday.

Mr. and Mrs. Frank Ranson of Lynnville vicinity were city arrivals yesterday.

Fred Bergschneider of Franklin was a city caller yesterday.

John Priest and family were up to the city from Winchester yesterday.

Joseph Wilson traveled from Lynnville to the city yesterday.

Prince Coates and family, west of Lynnville, visited the city yesterday.

Harry Grey of the east part of the county called in the city yesterday.

Mr. and Mrs. Moran Wilson of Clements visited the city yesterday.

Mr. and Mrs. Frank Johnson journeyed from Alexander to the city yesterday.

Mrs. R. C. Megginson of Woodson was one of the city shoppers yesterday.

Thomas D. Doyle of Waverly visited his daughter Mrs. A. Dowdall here yesterday. Mrs.

Dowdall was injured in the automobile accident on West State street Tuesday evening.

Mrs. J. J. Neger of Virginia was a caller in the city yesterday.

Mr. and Mrs. Jeff Wilson were down to the city from Chandlerville yesterday.

Mrs. J. B. Joy of Joy Prairie was an arrival in the city yesterday.

A LOST DOG.

Rev. Robert Heike of Garden City, Kans., happened to be in Jacksonville yesterday waiting between trains. He took this opportunity to leave a message at this office intended for some unnamed Morgan county resident. Mr. Heike says that a citizen in this county was in Garden City a few weeks ago and lost a white Spitz dog. It seems that the dog has been cared for by the janitor of the postoffice in Garden City and the owner can recover his property by taking the matter up with the aforesaid janitor.

## 114 Eggs A Day Now Instead Of 25 A Day

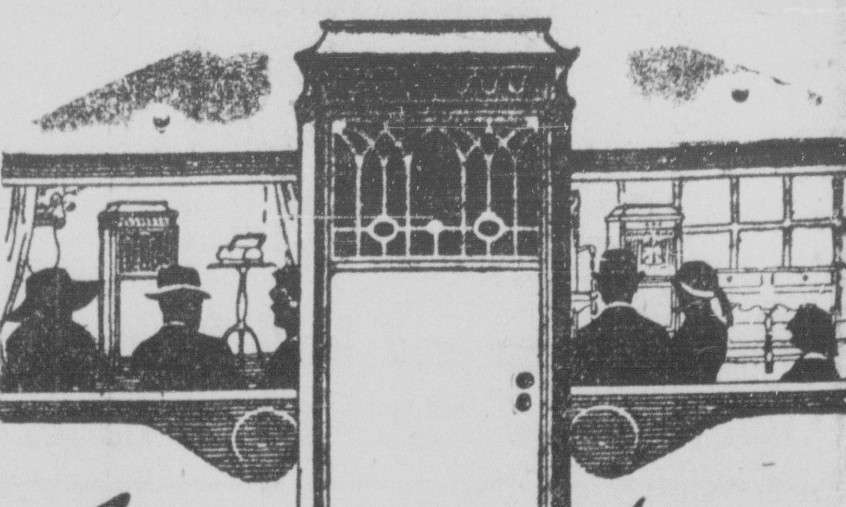

This Means About \$126 Extra Income Per Month for Mrs. Ropp.

"I have 200 hens, including late pullets not old enough to lay, and had been getting 25 to 30 eggs a day. Then I tried Don Sung and am now getting 100 to 114 eggs a day."—Mrs. Beale R. Ropp, R. R. 2, Littleton, Ind.  
This increase of 7 dozen a day in the middle of winter, at 60c a dozen makes \$120 extra income per month. Don Sung for her 200 hens cost about \$2.50. It paid her and we guarantee it will pay you.  
Give your hens Don Sung and water results for one month. If you don't find that it pays for itself and pays you good profit besides, simply tell us and your money will be cheerfully refunded.  
Don Sung (Chinese for egg-laying) is a scientific tonic and conditioner. It is easily given in the feed, improves the hen's health and makes her stronger and more active. It tones up the egg-laying organs, and gets the eggs, no matter how cold or wet the weather.  
You can obtain Don Sung from your druggist or poultry remedy dealer, or send \$1.04 (includes war tax) for a package by mail. Burrell-Dugger Co., 214 Columbia Bldg., Indianapolis, Ind.

## STUDYING WATER QUESTION IN BLOOMINGTON

In Bloomington the Rotary club is seeking to get some light on the water situation in that city by a meeting at which six possible sources of supply will be considered. A questionnaire has been sent out to members asking them to express their views. The principal address will be made by Mr. Habermeyer of the Illinois water survey. Mr. Habermeyer was in Jacksonville a number of times in connection with the water supply situation here and his services were of great value.

READ JOURNAL WANT ADS

**Yes you can have such a phonograph**

Let us show you the Certificate of Authenticity which Edith McDonald has signed. This is the outstanding fact which comes to you out of the memorable tone-test recital given last Tuesday in Music Hall, Illinois Woman's College: A new era in music is here. Mr. Edison has lifted the phonograph to the dignity of a new art.

You can no longer be satisfied with a phonograph that imitates. Now, you want a phonograph that equals the human voice.

You know there is such a phonograph. Mr. Edison made an astounding test with the Official Laboratory Model of the New Edison to prove it. Jacksonville heard the New Edison Re-Created Miss McDonald's voice in direct comparison with Miss McDonald's living voice. So realistic was the New Edison's performance that no one in the entire audience could distinguish it from Miss McDonald's living voice.

## The New Edison

"The Phonograph With a Soul"

You yourself can have such a phonograph. Let us show you exact duplicates of the Official Laboratory Model which triumphed in the tone-test. Let us show you the Certificate of Authenticity, which Miss McDonald has signed, after inspecting these instruments, and in which she declares that these instruments are the equals in every respect of the instrument used in the tone-test.

You can buy your New Edison on a Budget Plan which so distributes the payments that you'll hardly feel them

## BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box.

The world's standard remedy for kidney, liver, bladder and uric acid troubles. Famous since 1896. Take regularly and keep in good health. In three sizes, all druggists. Guaranteed as represented. Look for the name Gold Medal on every box and accept no imitation.

## EVERYBODY SHOULD BUY CHRISTMAS SEALS

Funds Are Used in Battle With Tuberculosis—Disease Claims Many Victims.

Tuberculosis is an infectious disease caused by a micro-organism or minute germ called the tubercle bacillus. The germs are found most commonly in the sputum of those suffering with the disease. They may be found occasionally in pus discharges from other organs or parts of the body affected by tuberculous disease, such, for example, as the knee joint. Almost every adult person has become infected. That does not mean that everyone has the disease—tuberculosis. It does mean that the germs have found entrance to the body and impressed themselves upon the tissues in such a manner that their presence can be detected by certain well-recognized tests.

The disease is never hereditary but it is always acquired after birth. The belief is being more and more widely accepted that

## A TEXAS WONDER

For kidney and bladder troubles, gravel, weak and lame back, rheumatism and irregularities of the kidneys. If not sold by your druggist, by mail, H. E. Small bottle often cures. Send for sworn testimonials. Dr. E. W. Hall, 2506 Olive St., St. Louis, Mo. Sold by all druggists. Adv.

most infections occur in childhood.

The prolonged intimate association of healthy persons with those having active tuberculosis leads to infection. Infection may be acquired also under some circumstances by the inhalation of dust of dried and ground-up sputum in the homes and on the streets. More commonly, however, as a mode of infection the germs are conveyed to the mouth upon the fingers of children who have been playing in contaminated places—the floors, sidewalks, gutters, etc., or with food handled by careless consumptives. Milk from tuberculous cows is also a common source of infection. Infection may occur, too, by coming in contact with droplets coughed or sneezed by careless consumptives in the home, crowded cars, shops, and places of assembly.

There can be no infection nor tuberculosis however without the germ.

The deaths from tuberculosis in the United States now average 150,000 a year.

Every three and one half minutes some man, woman or child dies from its ravages, one tenth of all the people who die in the United States are victims of tuberculosis. Yet tuberculosis is a preventable and curable disease.

Evidence that tuberculosis is curable is plentiful. Every community has its recovered victims of tuberculosis who, returned to health are leading happy and useful lives. Fresh air, cleanliness, scrupulous care in destroying the germ-laden sputum, adequate rest and wholesome foods, all of which are included in the treatment given by sanatoria and hospitals for the tuberculosis have worked wonders, and with the extension of the educational work now being carried on by the National Tuberculosis Association and kindred organizations still greater results are expected.

The most formidable obstacle in the campaign against tuberculosis is the undiscovered case, the person who has tuberculosis and does not know it. When the United States entered the Great War the draft boards and the army doctors found more than 100,000 such cases among men who thought themselves physically fit for military service. The National Tuberculosis Association and its affiliated state and local associations, which are financed principally by the sale of Tuberculosis Christmas Seals, plan to search out every undiscovered case and put the afflicted person in the way of obtaining proper treatment. Once that is done, control of the dreadful plague that now kills 150,000 persons every year will be certain, and the people of our country will be cleaner, stronger and happier.

## MURRAYVILLE BOY DIES OF PNEUMONIA

Little Son of Mr. and Mrs. E. T. Doyle Passes Away Wednesday—Funeral Services Today

Murrayville, Dec. 8.—Robert Benjamin Doyle, little son of Mr. and Mrs. E. T. Doyle, died at the family home here at 4:45 o'clock this morning. Death resulted from double pneumonia and came after an illness of one week.

Besides his parents he is survived by the following brothers and sisters: Harlan, Francis, Randall, Emily, Margaret, Elizabeth and William, all at home. He was two years of age at the time of death and was a bright and lovable child. The parents have the sympathy of the entire community in their bereavement.

Funeral services will be held from the residence at 2 o'clock Thursday afternoon. Burial will be in the new Murrayville cemetery.

ATTENTION K. OF C.

Regular meeting tonight. Important business. A full attendance is desired.

W. T. Harmon, G. K. J. J. Ferry, F. S.

Mrs. Kate Black and Mrs. visited yesterday with L. C. Hackman and daughter on Sandusky street.

## MARVIN THOMPSON IS IMPROVING

The many friends of Marvin Thompson will be pleased to learn of the improvement in his condition. In the first place it now seems that he will recover from the physical injury which for a while bade fair to cripple him for life. The cast has been removed and he has recovered his memory and talks in his usual manner, asking questions about the farm and other matters.

To add to the complications in his case he was attacked with pneumonia a few days ago but that trouble seems to have been overcome and the gentleman is now on the high road to complete recovery.

#### CHRISTMAS FUND FOR SOLDIERS GROWS

American Legion Purposes to See That Every Disabled Veteran Is Remembered.

The plea of Illinois' fighting sons is heeded! Coming in response to the announcement of the great \$50,000 Christmas fund campaign, subscriptions have begun to pour in to the office of the American Legion State Headquarters.

Dana C. Lambert, Commander of the Legion Post at Coatsburg, Ill., has notified the State Headquarters that his Post will send thirty-five Christmas trees for use at the various hospitals.

Ben Roth Post at Chenoa, Ill., has contributed \$25 to the fund. The ever increasing stream of subscriptions and gifts from Illinois patriotic citizens has begun to pour its contents into the Legion office. Citizens of the city, county and state are preparing to join in creating for the disabled veterans of the World War a fund that will provide for their entertainment and diversion, not only at this Christmas time, but through the coming year.

The monotony of hospital life is ever with these brave lads, who sacrificed so much for patriotism. The American Legion taking this fact into consideration, is trying to be far seeing, to give these boys something that will outline the Christmas season and extend well over into the coming year.

This is the true purpose of the drive. It is the viewpoint which is appreciated by those who join with the "We have not forgotten" campaign.

Put it over the top by Christmas! Sign your name to a check made out in favor of the State Finance office. The American Legion Department of Illinois, and send it either to The Journal or to The American Legion State Headquarters, 324 South Sixth Street, Springfield, Illinois.

Stacy Adams Shoes, 20% Discount.—HOPPERS.

#### CIRCUIT COURT NEWS.

In the circuit court yesterday two remaining indictments against Charles S. Magill, former county commissioner, charged with a confidence game, were dismissed on motion of State's Attorney Robinson. This action was taken because the jury trial on a similar charge resulted in acquittal for the defendant. No additional evidence was available and the dismissal was the result.

The trial of John G. Hemm, brought vs. Walker D. Hines and the C. & A. railroad was begun in the afternoon. This is a suit resulting over losses on a stock shipment. The complaint is represented by Judge W. E. Thomson and the defendant by Wilson & Butler. The jury includes Harrison Davenport, Lee Harney, W. H. Day, Charles Reinhardt, Clyde Black, Albert Unken, Ellis Mann, Cass Hamm, and J. J. Newell.

Russell Higgins, who is charged with larceny, entered a plea of guilty Wednesday. Motion was made for him to be admitted to probation and the matter was referred to the county probation officer.

#### TO ATTEND THE ANNUAL CONFERENCE

Coach W. T. Harmon, director of athletics at Illinois College, will go to Bloomington today to attend the annual conference of coaches of the Illinois Intercollegiate Athletic association. A number of important matters will come up for discussion at this meeting. Coach Harmon also expects to complete his basketball and football schedules at this time.

#### Social Events

add SOCIAL—

**Mary Melton Division Meets With Miss Rapp.**  
The Mary Melton Division of the W. F. M. S. of Centenary church met with Miss Grace Rapp at her home on South East street Tuesday night. Mrs. A. C. Baldwin was assistant hostess. Mrs. C. W. Boston had charge of the devotions and the program. Miss Myrtle Larimore gave a piano solo. Delicious refreshments were served later in the evening.

#### Union Baptist Church Missionary Society Met.

The Missionary Society of Pisgah Union Baptist church met with Mrs. Homer L. Wood and Mrs. Iven Wood at the home of the former Wednesday afternoon. The president, Mrs. A. A. Curry, presided. There was a large attendance of members and a number of visitors. An interesting program was given. The devotionals were in charge of the Rev. Mr. Williams.

Miss Bernice Wood gave a paper on India and she also gave a reading. Mrs. A. A. Curry gave a reading and Homer L. Wood a vocal number.

Following the program a social hour was enjoyed and refreshments were served. The next meeting will be held with Mrs. William Beekman the first Wednesday in January.

#### Sinclair Country Club Met Wednesday.

Nearly all the members of the Sinclair Country club were present at the regular meeting held Wednesday afternoon at the home of Mrs. Amos Swain near Sinclair. The response to the roll call was the naming of a noted physician. The principal paper of the afternoon was by Mrs. John Moore, whose subject was "The Modern Advance of Medicine and Surgery." Some musical selections by Mrs. George Robinson added much to the pleasure of the occasion. When the program was completed the members spent a pleasant social hour, and at this time the hostess served excellent refreshments.

The club will meet next on Dec. 22 at the home of Mrs. R. W. Robinson, when there will be a Christmas tree and a special program.

#### Mrs. LeRoy Craig is Hostess to U. C. T. Club.

Mrs. LeRoy Craig entertained the Ladies U. C. T. club Wednesday afternoon at her home on North Church street. It was a Christmas party with features suggestive of the holiday season. The attendance of members was large and after the business session a two course luncheon was served. The social features included a Christmas grab bag for the ladies and another for the children, and it goes without saying that both the grownups and the children found this part of the afternoon events very interesting. The refreshments were in keeping with such an occasion and the hours were very happily spent.

This is a growing organization and three new members were received yesterday afternoon. Miss Georgia Coultas assisted the hostess in entertaining.

#### CITY AND COUNTY

Mrs. Annie M. O'Brien of Murfreesville was shopping in the city yesterday.

Rev. Mr. Betcher of Ashland was a caller in the city yesterday. William Zahn of Concord was in the city on business yesterday. Edward Deuser of Waverly was a business caller in the city yesterday.

Thomas Quinn of Buckhorn spent Wednesday in Jacksonville on business.

E. M. Weeks of Concord was trading with local merchants yesterday. George Spencer was here from Quincy yesterday looking after business matters.

T. D. Doyle was called to the city yesterday on business. J. A. Cravens of Greenfield spent Wednesday in the city with friends.

G. E. Bell and A. M. Nevius of White Hall were business visitors in the city Wednesday. Elmer E. Kick of Decatur spent Wednesday in the city on business.

Miss Mary E. Thornton of Pittsfield was a guest in the city yesterday.

Martin Carroll was up to the city from Franklin yesterday. Charles Hermes was one of the city arrivals from Alexander yesterday.

George Swain of Sinclair was in Jacksonville yesterday. Fred Walbaum was down to the city from Ashland yesterday.

F. O. Knapp was down to the city from the state capital yesterday.

W. A. Duke of Hillsboro was attending to affairs in the city Wednesday.

John Atkinson journeyed to the city from Bluffs yesterday. Albert Coulter of Quincy was looking after his interests in the city yesterday.

A. Lenhard of Peoria had business in the city Wednesday. Roy Kearney of Curran was interviewing some Jacksonville people yesterday.

Mr. and Mrs. L. L. Jones of Edwardsville were added to the list of city callers yesterday.

W. E. Barrow of Adams county was an arrival in the city yesterday.

Myers was down to the city from Peoria yesterday. William Murphy of Chicago is visiting at the home of Thomas Moloney on Hardin avenue.

Alpha Maves and Edward Northrop were in the city yesterday on their way to Meredosia from Champaign where they have been employed for awhile.

#### WINCHESTER MAN HELD UP WEDNESDAY MORNING

Robert Lackey, Night Operator for Burlington Railroad, Has Experience with Highwayman—Other News Notes from Scott County.

Winchester, Dec. 8.—Robert Lackey, night operator for the Burlington Railroad, had an experience Wednesday morning which he will not soon forget. It was about 4 o'clock, just after the southbound train had departed, that he opened the station door to go to the platform, when a man suddenly appearing from the shadows, shoved a revolver in his face and ordered him to throw up his hands. There was nothing else for the operator to do but to obey and at the highwayman's direction he entered the ticket office and opened the money drawer. It contained only 18 cents. The operator explained that he had sent the money away before the arrival of the train. After searching the railroad man's pockets for money the highwayman escorted him to the platform, commanded him to walk to the south end, while he disappeared to the north.

The incident was reported as quickly as possible to the authorities but there was no clue to lead to a narrest. Mr. Lackey was wearing a watch and chain but the intruder was evidently looking only for money.

In referring to the death of Michael Guinan in Wednesday's Journal, it should have been stated that the deceased was first married to Miss Ryan and that three children survive, Mrs. Minnie Codey, Mrs. Margaret O'Brien and Stephen Guinan. One child, Nellie, preceded her father in death.

Mrs. M. A. Henderson left Tuesday for Naples to visit relatives.

Mrs. Mason Rowe, Misses Nell Ring and Winifred Pieper motored to Jacksonville Tuesday.

E. D. Beird of Bluffs was a business visitor in Winchester Wednesday.

The Household Science department has the window display nearly completed for Friday and Saturday. The receipts for the two days will go toward the fund which was started some time ago to install equipment for the department.

Mrs. John Cook left for a short visit in Jacksonville Wednesday. David Hainsfurther is confined to his home by illness.

Mrs. Frank Stoff of Moline is visiting her mother, Mrs. John Balsley and other relatives.

In reference yesterday to the exhibit of spotted Poland China hogs made by Ralph Peak at the International Livestock show, it should have been stated that the animals averaged 325 pounds in weight.

#### LOCAL FIRM BOOSTS FOR AEROPLANE FIELD

Hutson Bros. Buy Plane and Arrange for Local Exhibition.

Gay Hutson, of Hutson Brothers Airplane company, returned Tuesday from St. Louis, where he went to purchase an airplane and to arrange for assistance in an exhibition to be staged near Jacksonville Saturday and Sunday, December 11 and 12.

Arrangements have been made for the use of the pasture belonging to T. H. Buckthorpe, located east of town on the hard road.

Mr. Hutson has arranged with the Robertson Brothers of the Robertson Aircraft company of St. Louis to be present and give exhibition flights. These flights will include wing-walking and acrobatic stunts while flying.

Frank Robertson is reported to be the only person thus far to alight from a moving plane upon a passenger train running at sixty miles per hour without the use of a rope ladder. Mr. Hutson also will make a flight during these two days.

Arrangements also have been made to take up those persons who may wish to spin via the air. The object of this exhibition and others to be given is to create a local interest in flying, and to boost for a municipal flying field.

If Jacksonville is to be noted on aerial maps that are being made from time to time it must provide a suitable landing place. Flying rapidly is becoming commercialized, in many parts of the country routes having been established and regular schedules maintained for the carrying of passengers and express and mail.

**FACULTY RECITAL TO BE GIVEN TONIGHT**  
A recital is to be given at 8:15 o'clock tonight at Recital hall by Mrs. Fay Foreman, piano, and Miss Helene B. Sorrells, violin, members of the faculty of Illinois College Conservatory of Music. The public is cordially invited to hear this program, which will be as follows:

Sonata (Pathetique); Grave; Allegro di molto e con brio; Adagio cantabile; Rondo; Allegro — Beethoven — Mrs. Foreman.

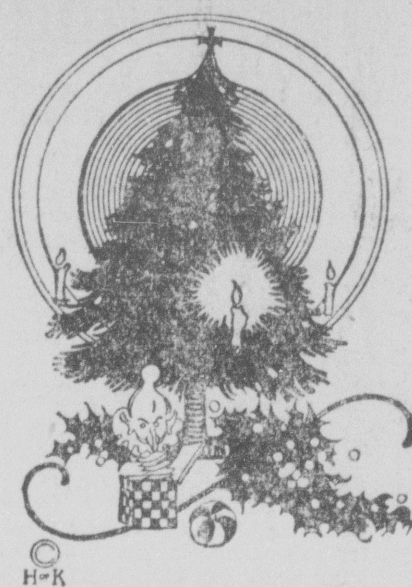

Chant Negre (an Idyl); A. Walter Kramer; Serenade du Tsigan (Gypsy Serenade); Valdez; — Miss Sorrells.

Meddie in E major; Serenade in B flat minor; Waltz in A major; Rachmanioff — Mrs. Foreman.

Contradanzas; Beethoven-Seiss; Elman; Valse Bluette; Drigo; Auer; From the Canebrake; Samuel Gardner — Miss Sorrells.

**CARD OF THANKS**  
To the many friends who so generously extended their help and expressions of sympathy during the illness and after the death of our father, J. A. Boston, we, the members of the family wish to tender our sincere and heartfelt thanks.

W. E. Boston and Family.  
Mrs. Mary Robinson and Family.

## The Christmas Store for MEN

This better store for men has provided amply to meet the great demand for holiday merchandise, and now shows a vast variety of things that fit into the fold of a man's desires—things worthy, practical and useful.

Our name on an article of men's apparel will win favor with men who like quality, and likewise, our label on a gift bespeaks the good judgment of the giver.

Choose early, shop in comfort, and avoid the worry, the discomforts and the rush which attend "last minute" purchasing.

## EXPERIMENT IN SOCIAL SERVICE WORK ENDS

Lack of Funds Causes Dissolution of Social Unit Experiment in Cincinnati. Work to Be Subdivided and Carried on by Other Agencies.

CINCINNATI, Ohio.—(By The Associated Press.)—One of the most important experiments in social service work in the United States passed into history recently with the announcement of the dissolution of the Social Unit here. After a rather tempestuous career of four years the operations of the Unit were curtailed by the paucity of funds and hereafter its work will be subdivided and pass under control of the various branches of the Council of Social Agencies which is financially supported by the public at large and centralizes charitable work.

The crowning blow to the Unit was the complete failure of a recent campaign to raise funds for the continuance of the work, although \$25,000 was contributed by the citizens within the territory of the district in which the Unit operated.

Performed Splendid Service. In many lines of human endeavor the Unit performed splendid services as in the district where the Unit operated it engendered a remarkable community spirit and a neighborly friendliness. Originally the Unit was financed to the extent of \$135,000 by interested citizens of Cincinnati and New York. The money called for a three year programme. Mr. and Mrs. Willard Phillips of New York were the prime movers of the organization. As the basis of the experiment the promoters selected the Mohawk-Brighton district, one of the most congested sections of the city.

The establishment of health clinics was the first step of the Unit. This found expression in the weighing and measuring of babies; the distribution of milk, free nursing, etc.

"Block mothers" also were chosen. These were to ascertain the most urgent needs of the families in the block which they lived, and report the various needs to the subsidiary councils having necessary supervision. During the war when drives were numerous the Unit conducted the campaign in its district. During the influenza epidemic its nursing and preventative services were instrumental in holding down the death rate in that section of the city.

Mayor Opposed to Unit.

Mayor Galvin, of this city, however expressed opposition to the Unit. He designated it as a "government within a government" and declared that its tendencies and teachings were socialistic and bolshevistic. It developed that in war matters Mr. Phillips was a pacifist. Phillips resigned as the titular head of the Unit and he and Mrs. Phillips left the city.

An investigation of the operations of the Unit was made by the Council of Social Agencies and the inquiry did not add to the prestige of the Unit. The Social Unit buildings will be taken over by the Baby Milk Fund Association and the infant welfare work will be carried on. The Associated Charities will continue the works, other than the health clinics.

Turkey Supper and Bazar, Centenary church, Thursday, December 9.

### IMPORTANT STEP TAKEN

IN CANNING INDUSTRY. Chicago.—(By The A. P.)—A new sanitary inspection seal, attesting to clean and healthful conditions in packing, will appear on more than 700,000,000 cans, bottles and jars of the 1920 food pack, the output of 600 food packers all over the country, according to announcement made by the educational committee of the National Canners Association. This seal will be placed on containers reaching the market January 1, 1921.

The sanitary seal is the mark of approval by an inspection service first inaugurated by the association five years ago. The inspection service with headquarters in Washington, is now organized in seventeen districts over the United States. Daily inspections are made by Association inspectors. This examination covers cleanliness, wholesomeness and suitability of raw materials and finished products and sanitation of the cannery and equipment.

Every can labelled by the inspector, according to the committee's announcement, will give the purchaser the Association's assurance that the materials are sound and properly cleaned before canning; that the cannery and equipment are kept in a clean and sanitary condition; that ample sanitary provisions are made for cannery employees and that they are cleanly in habits and dress; and that the can is filled as full as practicable with food that is clean, palatable and wholesome.

"The inspection and labelling service is voluntary movement on the part of the Association to cover any requirements they consider as standard for properly canned foods and which are not specified by law," said Walter J. Sears of Chillicothe, O., president of the Association. He asserted that the association is backed by the federal government in Washington and that the introduction of the labelled can means one of the most important steps to the consumer ever taken in the canning industry.

Snowden Burch and Mrs. Mildred Denning both of Jacksonville were lately married Saturday afternoon at the home of the latter's grandfather Levi Hodges, Squire A. E. Ritcher performing the ceremony.

### WILL SEND MEDICAL OVERSEAS UNIT

New York.—By the A. P.—A medical overseas unit is to be sent into Eastern Europe to fight disease, by the Joint Distribution Committee of the American Funds for Jewish War Sufferers, it was announced here today.

The unit, which will be dispatched this month, will consist of sanitarians, experts on tuberculosis, children's diseases, dentists and pharmacists, who will work in conjunction with the Committee's welfare workers now in the field. It will be their function to study the local medical conditions and to organize the resident physicians to most effectively carry on the work.

Dr. Harry Plotz, of this city, who was in charge of the de-lousing plants of the American army and who discovered the typhus germs, is to be in charge of the work and will head the unit that is to be made up of physicians who have had military experience.

### CHURCH ELECTS LAYMAN ASSISTANT TO PASTOR

St. Louis, Mo.—The A. P.—The congregation of the Presbyterian church in Webster Groves, a suburb, has elected a layman assistant pastor. His duties include visits to members of the church, and work among men and boys.

### EXETER

The women of the Christian church are planning to give a Christmas entertainment in church.

The dance given in the hall Friday evening was well attended.

Jack and Robert Gillham were visiting at the home of Roe and Herbert Leib Sunday.

Russell and Kathleen Tholer were town visitors Wednesday.

from the sale of Christmas Seals goes to the upkeep of the Open Air School here.

As the Open Air School is an interesting institution, and its operation is somewhat different from that of our public schools, the accompanying facts will no doubt be received with interest by many.

The Open Air School budget for the year 1920-1921 follows:

Open Air School meals (per capita 21c, 45 fed per day, 9 school months) .....\$1,701.00

Summer term .....1,000.00

Modern Health Crusade (in Public Schools) ..... 525.00

Total .....\$3,226.00

The menu for the week at the school beginning Nov. 1, 1920, follows:

Monday, Nov. 1:—  
Lunch at 8:45 a. m.—Mush and milk.  
Dinner at 12:00 m.—Vegetable soup, crackers, bread and butter sandwiches, milk (one-half pint each), rice pudding.

Tuesday, Nov. 2:—  
Lunch—Oatmeal and milk.  
Dinner—Macaroni, cooked with tomatoes, bacon and onions, bread and butter, milk, stewed apples.

Wednesday, Nov. 3:—  
Lunch—Mush and milk.  
Dinner—Scalloped potatoes with bacon, slaw, bread and butter, milk, stewed apples.

Thursday, Nov. 4:—  
Lunch—Mush and milk.  
Dinner—Chop suey, bread and butter, milk, stewed peaches.

Friday, Nov. 5:—  
Lunch—Mush and milk.  
Dinner—Scalloped potatoes in cheese, beefs, bread and butter, milk, prunes.

The money from the Christmas Seal Sale will finance this budget and will pay for these meals.

## QUINCY ACCEPTS THE QUESTION OF DEBATE

Principal Schaefer of the high school received a letter from Quincy recently stating that they had agreed to debate the question offered by him. There has been considerable debate already about this question and all of the schools interested in the Tri-City argument are undoubtedly glad that it has been settled satisfactorily to all.

The question as stated is: Resolved—That European immigration to the United States should be further restricted. It was decided that the debates this year will be held on Feb. 4th instead of the 11th of March, as it was held last year. Quincy seems to think that the date of the debate had something to do with their losing it, and it was by their suggestion that the time was changed.

Because of the debate with East St. Louis and also with Springfield and Quincy will mean that the debates of the high school will put in many a busy night in the next two months. The debaters are at the present time working on their tryout speeches, but the time of the tryouts has not as yet been announced, but it will be held in the near future.

## EXHIBIT AND SALE AT THE ILLINOIS SCHOOL FOR THE BLIND

Beautiful hand woven rugs, fabrics, and baskets, fibre furniture and hundreds of other useful articles made by blind pupils. Now on sale.

## RETURN FROM FUNERAL

Mr. and Mrs. John H. O'Donnell and family of this city have returned from attending the funeral of Michael Guinan of Alsey, who died Saturday at his home. The funeral was held Tuesday morning at St. Mark's church in Winchester. The decedent was a brother-in-law of Mr. O'Donnell. Other persons from here attending the burial were Mrs. Thomas Mandeville and Mrs. Jerry Flynn.

Feb. 17.—Taken.

## PRENTICE WILL HAVE ELECTRIC SERVICE LINES

Morgan County Commissioners Grant Twenty Year Rights to Light & Power Association.

Prentice is going to have electric lights. The board of county commissioners on Tuesday granted for twenty years to the Prentice Light & Power association, and the Illinois Mutual association, permission and full power under the premises to erect, construct, maintain and operate an electric transmission line along the highways from Petersburg to Prentice.

The agreement states that the poles for the line are to be placed one hundred and fifty feet apart and No. 6 hard drawn copper wire used. The poles are to be set along the fences.

The route of the proposed electric line is as follows:

Beginning at the Petersburg public road running to Jacksonville, being the line road between Morgan and Cass counties, thence west along said public road as far west as Elmer Johnson's residence, thence returning to the public road leading to Prentice, Illinois, and running through section 6 to Prentice, thence running east along the north side of section 7 and section 8 to the public road running north and south, thence running south along said public road to William Man's residence, returning and commencing again at Prentice, Illinois, and thence running west along the public road along the sections 7 and 12, to the residence of Edward S. Collins, where the line terminates at present.

When the transmission line is completed, many residents of the Prentice community and along the route from Petersburg will be furnished with electrical improvements. The power will be generated at Petersburg.

Shoe Sale at Hoppers. All greatly reduced. Buy your shoes now.

Eugene Paytt, who has been employed on the steamer Golden Eagle the past summer, now returned home for the winter.

## ARMY STATION HERE GETS MORE RECRUITS

Five young men who enlisted at the Jacksonville Army Recruiting office the first of this week departed Tuesday night for various camps in the United States. One of them, who becomes a member of the Eleventh Field Artillery, will soon be enjoying the sunshine and weird music of the Hawaiian Islands, as that organization is scheduled to leave Camp Grant next Monday, Dec. 13.

Sergeants Choate and Brandelstein of the office here have reason to believe that their record of recruiting for this month will exceed that of last. So far thirteen men have enlisted and been sent to camps, and this is only the 8th. During November the local office turned over 21 enlistments to district headquarters.

The recent enlistments are:

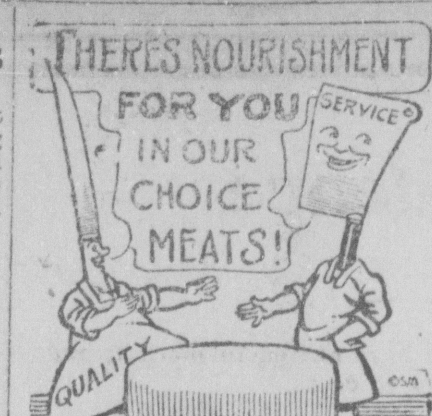

Frank E. Smock, Roodhouse, 54th Infantry, Camp Grant, one year.  
William H. Reavis, Roodhouse, 54th Infantry, Camp Grant, one year.  
Smith Monroe, Roodhouse, 54th Infantry, Camp Grant, one year.  
Walter E. Dawson, Hersman, Ill., 11th Field Artillery, Camp Grant, three years.  
Elzie F. Youngblood, White Hall, 54th Infantry, Camp Grant, one year.

## Stop-See these Xmas phonographs

YOU never saw more exquisite cabinets. The world has never produced any more exquisite cabinets.

These cabinets are descended out of the Golden Age of Furniture.

This was the age when Europe built its most luxurious palaces, created its greatest works of art, developed its finest types of craftsmanship.

Mr. Edison's designers went back to the furniture masterpieces

of this period. They adapted 17 of them for the modern American home. They made every Edison Cabinet a period cabinet—even the least expensive.

You must see these cabinets. Only then will you appreciate what wonderful richness and atmosphere one will add to your home.

Ask about our Xmas Budget Plan. It manages your money economically. It makes 1921 help pay; and that's good business.

## A Word About Prices

In 1914, as you can ascertain through practically any investment banker, the Edison Laboratories were selling phonographs on a narrower margin of profit than the other manufacturers. Since 1914, the price of the New Edison has advanced less than 15%—and a portion of this is war tax. "Edison stood the gaff" to keep his favorite invention within the reach of everyone.

## The Light Cure

You can catch more bugs in light than in darkness. Somewhere in the dark between farmer and consumer somebody is adding a whacking big **unearned** increase to food and clothing prices. Honest retailers and wholesalers are powerless to prevent it. But—if the searchlight could be turned on these little-understood, in-between transactions, factors like wasted labor, unequal distribution and reckless speculation would stand out in bold relief. To cure these evils, the light method is advocated by your

## COUNTY FARM BUREAU

By farm cost accounting, Farm Bureaus will ascertain actual production costs, as a means of selling at prices fairer to both producer and consumer.

By knowledge of world markets, Farm Bureaus will avoid overproduction of one crop and underproduction of another, with resulting market glut and scarcity.

By fostering cooperative marketing, Farm Bureaus will eliminate speculators and other parasites of the present distribution system.

THE COUNTRY GENTLEMAN believes in these searchlight methods

and advises its local readers to join your County Farm Bureau and wholeheartedly support it and the great American Farm Bureau Federation with which it is affiliated.

THE COUNTRY GENTLEMAN is issued weekly from Independence Square, Philadelphia, Pennsylvania. You will get the national news of the rapidly growing farm-bureau movement if you read THE COUNTRY GENTLEMAN regularly. It costs 5c the copy from news-stands; a whole year by mail for only \$1.00 sent to the publishers. Yes, your check is good.

-4231-4233-4235-4237-4239-4241-4243-4245-4247-4249-4251-4253-4255-4257-4259-4261-4263-4265-4267-4269-4271-4273-4275-4277-4279-4281-4283-4285-4287-4289-4291-4293-4295-4297-4299-4301-4303-4305-4307-4309-4311-4313-4315-4317-4319-4321-4323-4325-4327-4329-4331-4333-4335-4337-4339-4341-4343-4345-4347-4349-4351-4353-4355-4357-4359-4361-4363-4365-4367-4369-4371-4373-4375-4377-4379-4381-4383-4385-4387-4389-4391-4393-4395-4397-4399-4401-4403-4405-4407-4409-4411-4413-4415-4417-4419-4421-4423-4425-4427-4429-4431-4433-4435-4437-4439-4441-4443-4445-4447-4449-4451-4453-4455-4457-4459-4461-4463-4465-4467-4469-4471-4473-4475-4477-4479-4481-4483-4485-4487-4489-4491-4493-4495-4497-4499-4501-4503-4505-4507-4509-4511-4513-4515-4517-4519-4521-4523-4525-4527-4529-4531-4533-4535-4537-4539-4541-4543-4545-4547-4549-4551-4553-4555-4557-4559-4561-4563-4565-4567-4569-4571-4573-4575-4577-4579-4581-4583-4585-4587-4589-4591-4593-4595-4597-4599-4601-4603-4605-4607-4609-4611-4613-4615-4617-4619-4621-4623-4625-4627-4629-4631-4633-4635-4637-4639-4641-4643-4645-4647-4649-4651-4653-4655-4657-4659-4661-4663-4665-4667-4669-4671-4673-4675-4677-4679-4681-4683-4685-4687-4689-4691-4693-4695-4697-4699-4701-4703-4705-4707-4709-4711-4713-4715-4717-4719-4721-4723-4725-4727-4729-4731-4733-4735-4737-4739-4741-4743-4745-4747-4749-4751-4753-4755-4757-4759-4761-4763-4765-4767-4769-4771-4773-4775-4777-477

## MURRAYVILLE I. O. O. F. ELECTED OFFICERS

Officers are Chosen for Ensuing Term—C. A. Gunn Elected Noble Grand—Other News Notes.

Murrayville, Dec. 7.—The members of the I. O. O. F. lodge met Monday evening and elected the following officers for the ensuing term:

N. G.—C. A. Gunn.  
V. G.—Guy Smith.  
Sec. Sec.—Fred Still.  
Financial Sec.—T. G. Beadles.  
Treasurer—J. E. Thompson.  
Trustees—W. A. Wesner, R. D. Mawson, S. P. Sooy, Alfred Lamb and J. W. Wright.

Mr. and Mrs. L. G. Collins, Mr. and Mrs. Harry Cade and Mr. and Mrs. Albert Hayes were guests Sunday afternoon of Mr. and Mrs. Arthur King.

Mr. and Mrs. James Bettis of Hillview spent Saturday and Sunday with the latter's parents, Mr. and Mrs. Alex Lovell.

Mrs. Mary Gunn, Mrs. Jessie Hayes, Mrs. Mae Cade and Mrs. Alfred Lamb visited Mrs. George Hayes Tuesday afternoon. Mrs. Hayes has returned home recently from Passavant hospital much improved in health.

Mrs. Mary E. Wright spent several days last week at the home of her daughter, Mrs. E. T. Doyle, helping to care for the children who are sick.

Mr. and Mrs. Walter Ealey of Jacksonville were guests Sunday of the latter's sister, Mrs. L. G. Crouse and husband.

Mr. and Mrs. Thomas Wilson were called to Winchester Monday by the death of Mrs. Wilson's grandchild, a child of Mr. and Mrs. James Green.

S. B. Robinson was a business visitor in Roodhouse Monday. Mr. and Mrs. George Simpkins of near Jacksonville were guests Sunday of Mrs. Simpkins' parents, Mr. and Mrs. J. K. Cunningham and family.

Rev. J. C. Bell has secured the services of Mr. and Mrs. C. Edward Faust of Chicago to lead the singing for the revival meetings in January. Mr. and Mrs. Faust were here last year and will be given a royal welcome on their return by their many friends.

Mr. and Mrs. Grover Whitlock of Zion were guests Sunday of Mr. and Mrs. T. G. Beadles.

A family gathering was enjoyed Sunday at the home of Mr. and Mrs. Rees Jones, in honor of Mr. Jones' 70th birthday. A sumptuous dinner was served and the day proved a very pleasant one. The guests departed late in the afternoon, wishing Mr. Jones many more happy birthdays. Those present were Mr. and Mrs. N. C. Carlson and family, Mr. and Mrs. R. M. Hard and family, Mr. and Mrs. S. B. Jones and son Frank, Mr. and Mrs. K. W. McArthur and family, Mr. and Mrs. Harry Rimbey and family, Mr. and Mrs. Edward Tendick and family and Mr. and Mrs. Harry Lemon and family.

Mr. and Mrs. Roscoe Beadles of Clinton, Ill., spent several days last week with relatives here.

Mr. and Mrs. Ernest Long and children were guests Sunday of Mr. and Mrs. Lewis Sooy.

Mrs. S. B. Robinson visited from Friday until Sunday with her aunt, Mrs. C. J. Skinner and family of Towanda.

Mrs. Sarah Wade and son spent Monday with relatives in Woodson.

Dean Lamb of Beardstown is visiting his parents, Mr. and Mrs. Alfred Lamb.

**Shoe Sale at Hoppers.** All greatly reduced. Buy your shoes now.

Mrs. L. H. Wegehoff of Beardstown was the guest of her mother, Mrs. J. J. Smith, Tuesday.

## Nu-Bone Corsets

**STYLE—COMFORT—ECONOMY**  
When you wear Nu-Bone Corsets you wear individual corsets made for you from measurements taken by a Nu-Bone Corsetiere. The Nu-Bone Corset acts as a flexible mold to your figure.

Without noticeable or unpleasant restraint it exercises a gentle but constant urge toward perfection. Because they so thoroughly combine comfort with style, they may be worn for dress and work, thus serving a double purpose. Nu-Bone Corsets are made-to-measure—Also kept in stock. Call write or phone without obligation or your part for information or appointment.

Satisfaction Guaranteed.

## UNIVERSAL ELECTRIC TOASTER

## Christmas Store for Electric Home Needs

## Gifts that Make "Merry Christmas" Last the Whole Year Through

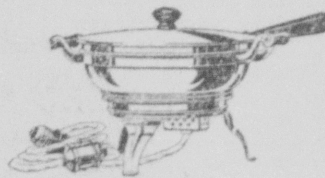

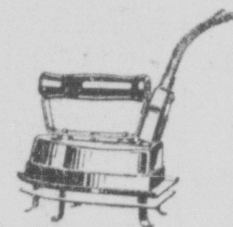

No other gift that you can make will more truly carry the glad spirit of Christmas than something useful, something permanent in the home—something electrical which at once combines use with beauty and serves as a perpetual reminder of the thoughtfulness of the donor.

We have tried here to give you a graphic story, tried to make our announcement of Christmas time so suggestive and appealing that even though too busy to read descriptions of the various items we are showing and of their uses, the illustrations will carry a message that will not be forgotten in the hurry of the coming days.

There is the electric toaster, a beautiful article for the table, enabling one to make crisp, golden brown toast, just as wanted. Only \$8.00.

The electric iron that makes easier work of ironing day, the iron with the always cool handle; the iron so convenient and ready; an article that should be in every home. Reasonably priced at \$8.00.

Eureka Vacuum cleaner, operated by electricity, quickly attached to any light socket, makes cleaning positively a pleasure. There is no question about the good work these cleaners do. Dirt and dust is taken up, out, and off articles of every sort, as well as floors. In actual saving of wear on the furnishings of a home a Eureka cleaner soon pays for itself. Price only \$45.00, or, with all attachments, \$53.50.

## We Cordially Invite You to Visit Our Display When Next Down Town

## The Eden

Percolators, convenient and economical, that extract the full flavor and aroma from each grain of coffee, make real coffee. Priced \$12 to \$25.

Electric Grill, the combination that enables one to broil, fry, stew or toast; a wonderfully convenient and attractive table help—appetizing dishes served quickly and conveniently. And the price, only \$15.00.

The Chafing Dish, the need for which in the modern home is frequent, enables one to properly serve the unexpected guest or the small evening informal party. Priced at only \$22.50.

Gas Ranges also are suggested, a wonderful line now being displayed in our salesroom on the north side of the square. Prices vary according to size and finish.

## An "Electrical Christmas" will be a Merry one

The Eden, the electric washer unexcelled, positively the superior of any yet put on the market: Washes any article from the daintiest, sheerest of fabrics, to heavy woollens, rough clothes, all equally well and to its owner's entire satisfaction. All so quick, so easy and conveniently, without muss or anything approximating the work of the usual washday. Space does not admit of giving here the technical points of superiority of this machine, but a few moments at our salesroom will be convincing enough to you. These machines pay for themselves very quickly these days. Only \$160.00.
